I Love You! ✻

Windy
It's freeee-eezing!!
Can't spring come sooner?
Yep, you're right!
It'll get warmer if we do this.
lean
during the pleasant Spring weather!
But I'm sure it would feel nice and warm to take a nap...
smile
Madoka didn't mention taking a nap together.
Warm...
A nap...

What are you looking at?
A picture.
Homura-chan...?

The cherry blossoms and scenery were both beautiful.
I told them we should go again next year.
I went here with Sayaka-chan and Hitomi-chan last April.
We found this real great spot!
If you like...
would you come see the cherry blossoms with us?
I see...
Ahh! It is a bit far off in the future though...
Homura-chan, you should come with us next year!
Oh right!
Ehh...

Sure...
the cherry blossoms.
I want to see...
I want to see them with you
smile
when spring comes.

こんにちは。　せとうちすま子と申します。

まどかマギカ3冊目の本も、まどかへの熱い愛に燃える
ほむらちゃんを中心としたほむまど本（ただし健全）
となりました。

…あれ？　確か当初の予定では、杏さや本にしようとか
思っていたはずなのですが？

実は、この本を書いていた頃、今年の冬はとても寒くて、
早く暖かくならないものかと、震えながら考えていたんです。

そしたら、あ〜ら不思議。
杏さや本はいつの間にかほむまど本に。

早く春になれー!!　という私の思いが詰まった一冊に
なりました。（まどマギへの愛はどこへ!?）

えー…　何かが微妙にズレているかもしれない本ですが、
楽しんで頂けたら幸いです。

ではでは。

Beautiful artwork is born from careful observation.
Then I'll...
A certain artist is said to have released a chicken into his yard and continually observed it in order to draw a picture.
Wow! You're great at drawing, Homura-chan!
A picture or a clay sculpture is fine.
Express your friend's figure.
Okay, for art class today you'll be creating art of your friend's figure.
It's like an amazing work of art!
Mmm!
Express your friend's figure.
Whhhy yyyy!? Where did you see that!?
Stooo-opppp!!!
I will complete art born from observation here and now!

T-Then...
if I became a magical girl, I could make my breasts grow bigger...!
Eh!?
Homura-chan, you fixed your vision with magic!?

If mine were like that, I could feel good every moment of every day.
But Mami-san's breasts are so soft and jiggly and feel great!
Ehh... I mean... you're still growing, so there's plenty of time left for them to grow.
No no, I think your breasts are perfect just the way they are.

You can't alter the size of your breasts with magic.
AHH HNN MY
She'll feel good every moment of every day...!?

STOP!! THAA- AAAT !!!
Ahhh! I could do that!
Gasp
Why don't you wish for larger breasts and become a magical girl?

Think about this carefully, Madoka.
You are who you are because of the accumulation of all your experiences since you were born.
That figure of yours is Kaname Madoka.
I don't think it would be any good if just your breasts suddenly got larger.

You'll have trouble with your clothes if you have large breasts on that small figure of yours.
They'll also give you stiff shoulders.
If you never wear a bra then they'll sag.
Madoka, you're the type that doesn't wear a bra on your days off, right!?
I'm interested in just how exactly you know that.

Uuu....
But I want to change the way I am now.
I just wonder if I could have more personality if I had bigger breasts
You're more than attractive as you are right now, Madoka!!!

I got it!
It's strange if just my breasts grow.
If I could have a more mature looking face, longer legs, and be taller...
SHOCKED
That's the first ever magical girl to desire a full makeover.
How interesting.

I'm telling you, it's delicious!

Ahh ahh!
Madoka and Mami-san are probably fine since they are ranged fighters...
but it'd be nice if you could cut me some slack on the sudden explosions.
I almost got caught up in it numerous times.
Forget 'getting caught up', she's clearly being targeted by those explosions...
Ignorance is bliss, huh...

We've went with other friends and family.
If you visit that much it wont be a secret spot for very long.
hehehe
Yep! We've already come a few times this year.
Wow, what a great spot.
I helped out too.
Ohh? On which ones?
Ummm... a little on everything... I guess...?
Tadaaa! My dad made this for us!
Wow! What a feast.

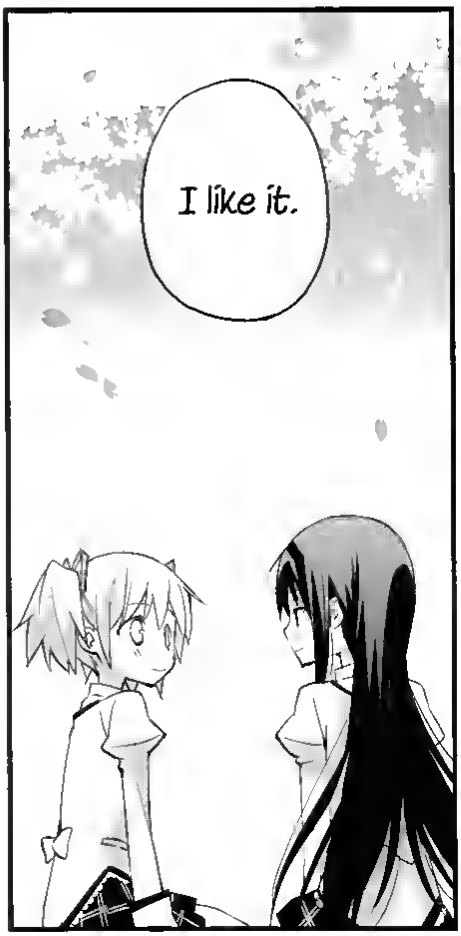
It has strawberries in it.
Wow! I want a piece!
I brought cake.
Let's eat it later on!
Ahahaha! What's with that!
What I mean to say is don't spoil the mood.
Huh? It's my business what I eat.
Hey... quit eating nothing but candy.
Get me that box of pocky.
There's so much high class stuff.
Ohhh! Fit for spring in Japan!
I'm surprised ...
It is surprising, but I think it's appropriate.
Those look amazing, Homura-chan!
Did you bring something too, Homura-chan?
Rolled sushi...

Tasty!
We're completely ignoring the cherry blossoms.
Ahaha

Hey
Homura-chan
It's good, right?

...yeah.

It's okay!
The food is really good!



I like it.

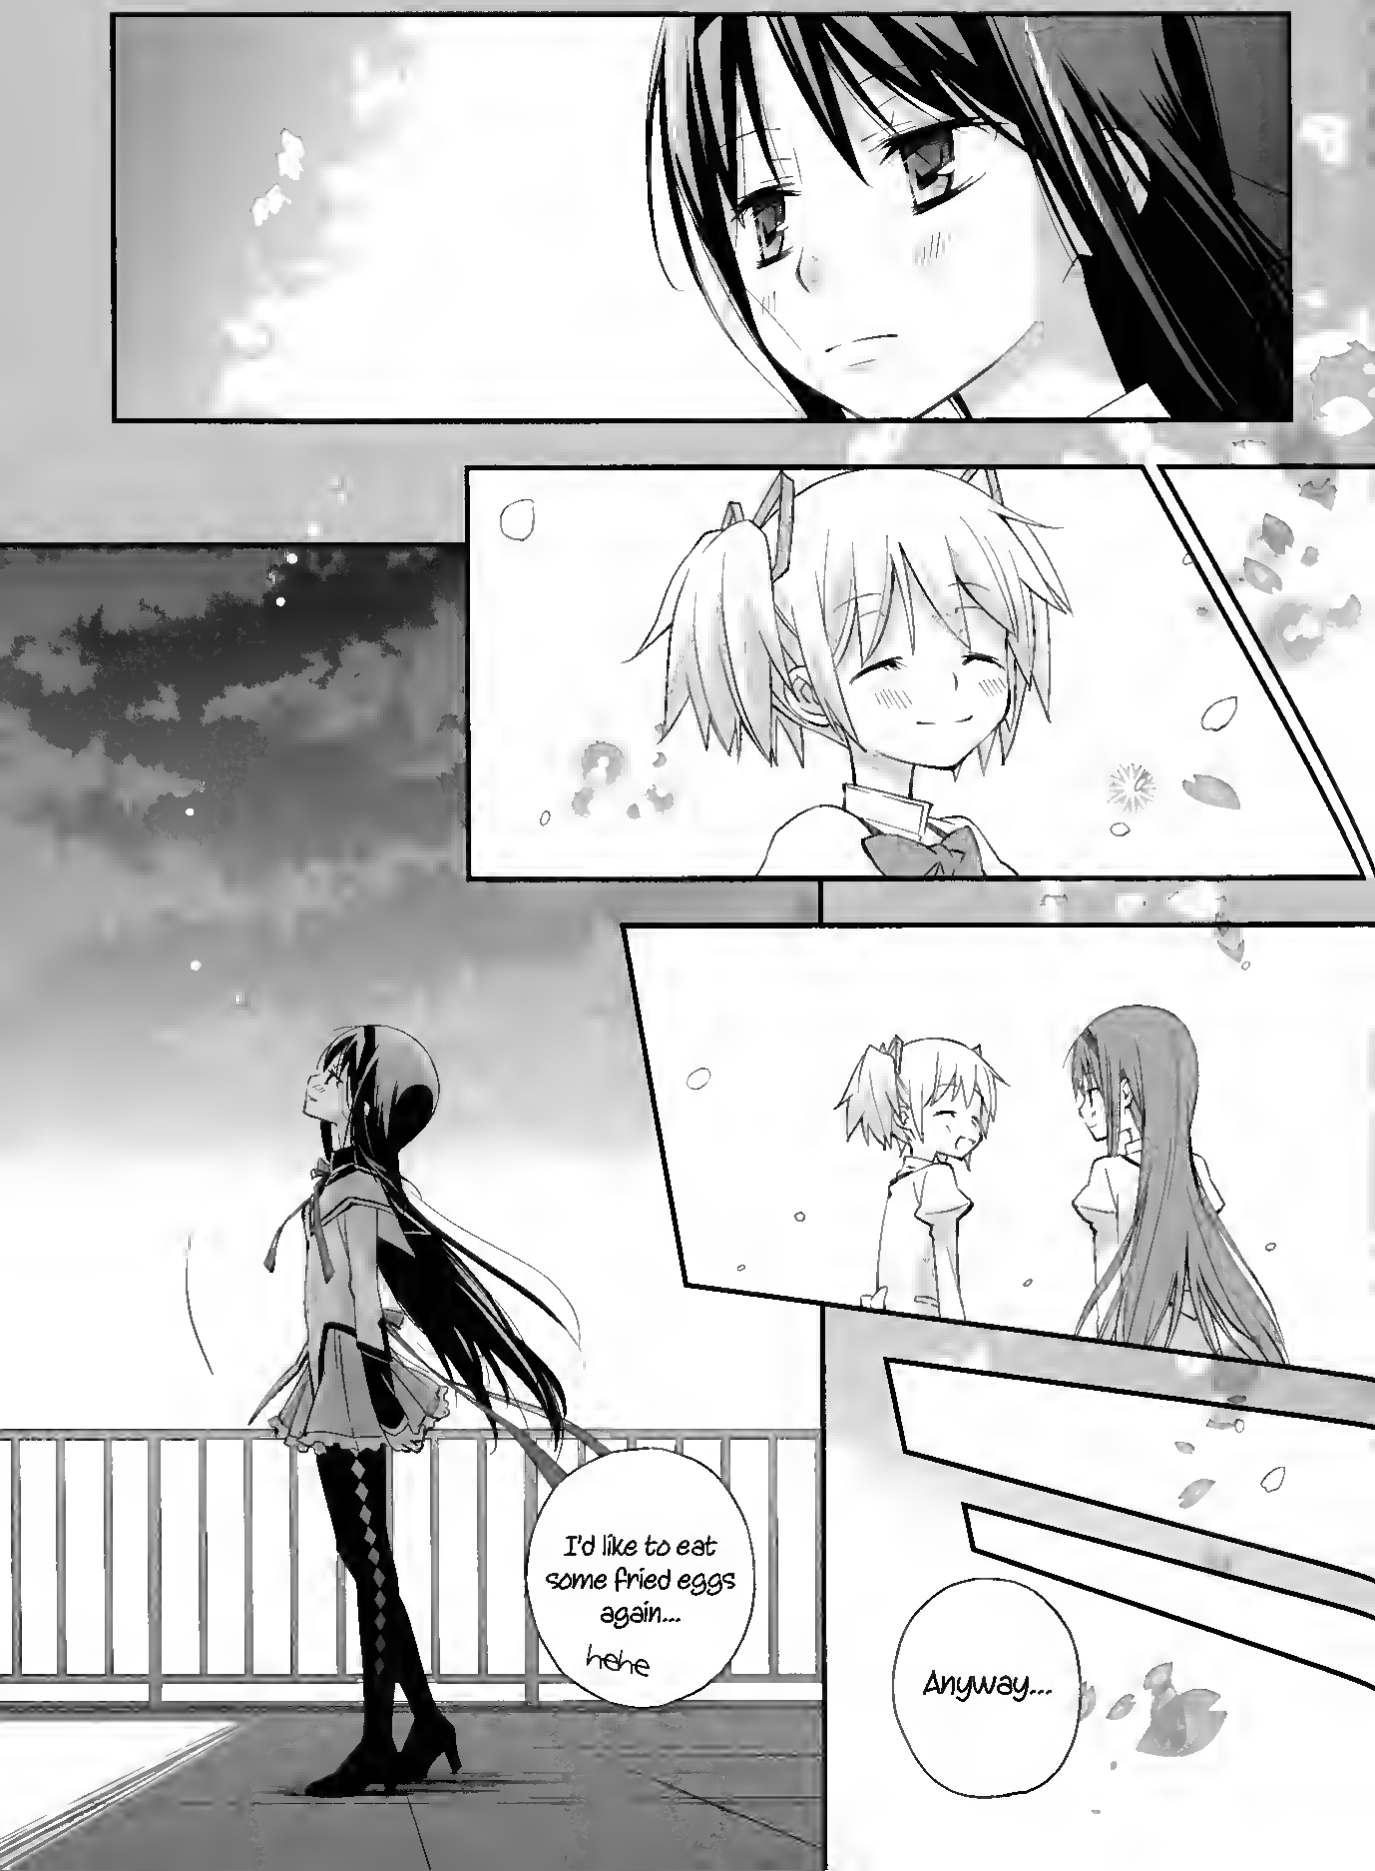
munch

Ah, these are the fried eggs that I made.
They're a little over-done...
I cooked them too long.

It's good...

The fried eggs are warm.
The cherry blossoms are fluttering around.
Akemi Homura?

You're quite relaxed.
Normally, you would get angry and come after me.
Get lost.
I'll let you off the hook for today.
Oh...? What's with the change of heart?
It's nothing.
I'm just... in a good mood.
Did you have a good dream or something?
I told you... to get lost.
Sure, sure.
Akemi Homura
I wonder just what you wished for in exchange for becoming a magical girl.



I'd like to eat some fried eggs again...
hehe
Anyway...

最後まで読んでくださってありがとうございました。

今回の本、明日は今年一番の寒さに…という天気予報を聞きながら書いていたと思ったら、後書きを書いている今では、いつの間にか春が手の届くところまでやって来ているような、冬ももう終わりの時分になっておりました。

さて今回、ほむらに巻き寿司という一品を取り合わせてみたわけなのですが、これは果たしてどうだったのでしょうか。
なんとなく、お花見の場で巻き寿司を取り出すほむらちゃんの姿が思い浮かんで、そのまま使ってみただけなのですが、合うような、合わないような？
なんだろう？黒髪ロングヘアから来る安易なイメージだったかもしれません。

そもそも私はほむらちゃんを不器用な子だと思っているので、まず、料理ができるのかどうかという問題から入らねばならないわけでして。
でも不器用て、要領も決していい方ではないが、こうと決めたら激しく努力型で、ちょっと危ない感じに真面目。　というのが、今のところうちのほむらちゃんの姿なので、多分、料理ができない事はないだろうと。
むしろまどかが望めば、おフランス料理のフルコースでさえ作り上げてみせるでしょうが、基本的に、作ったことがある物なら、堅実に。という感じだろうかな、と思ったわけなのです。（でも味は、料理本を見ながら作ったという域を出ない、そこそこな感じで）

そして多分、あまりオシャレな料理は作れない（笑）
そういうのはマミさんの管轄なので、案外もっさりと、おばあちゃん料理みたいなのを作ってたりして…。
でも煮物とか、それはイメージにないかもしれない。あ、たまご焼きは上手そうてすけど。　丁寧に丁寧に焼いてそうです。

今回は、こんな事をとりとめもなく考えながら、巻き寿司の絵を書いてました。

こんな風に、頑張る方向が微妙にズレたほむら嬢を、これからもうちでは愛でていきたいと思います。

お付き合いくださってありがとうございました。
